

## SHOTEC DIGITALIZATION: IMPLEMENTING “PAMS CLOUD-VERSION”

The implementation of the new cloud- version of our **Agency Management Software PAMS** increases the efficiency and productivity of our daily work and enhances our Sales Engineers in working remotely.

## 16TH ANNUAL MANAGEMENT MEETING

Also this year, we have conducted the Annual Management Meeting to review the results and lessons learned from 2020 and to kick off the strategy and targets for 2021! Thanks to a careful and detailed hygiene concept, the meeting was conducted safely and in compliance with Covid-precautions.

## MEGA PROJECT

We have won again a remarkable package from the **SOPC-Coker-Project**.

The contractor Petrojet has awarded a **10 Mio EUR** order to our principal **Alfa Laval (Olimi)** for the delivery of 13 air coolers.

## SHOTEC SERVICE TEAM AT SUCO

Successful **installation, commissioning and start-up** of five chemical injection packages for a petroleum well with electric MCC and instrumentation at offshore platform in Egypt at SUCO site.

## SHOTEC SERVICE TEAM AT DISOUCO

Our local Service Team has once again supported our principal Lewa by carrying out the **installation, commissioning and start-up** of the supplied system. The system consisted of four chemical injection packages for a corrosion inhibitor in a gas mid-stream pipeline and was erected at DISOUQUE site.
